### **How it works!**

Wyoming BBQ and Bluegrass Festival will sell tickets to the public- 7 for \$5 (plus one ticket that will be a different color- this will be used as the "favorite" sausage ticket). They will turn in 1 ticket for one sample of sausage, with their favorite team receiving the off color ticket. The team with the most off color tickets is the People's Choice winner. We will award the top 3 teams prizes. Prizes will be a professional cutting board donated by Cutting Edge Custom Cutting Boards.
